

## Youth Conference

**When:** January 19-21 (Sat, Sun, Mon) It is Martin Luther King weekend and students have that Monday off of school.

We will meet at Sunnyside at 11am on Sat the 19<sup>th</sup> and return about 4pm on Mon. the 21<sup>st</sup>.

**Where:** Pigeon Forge TN. We apply for three different hotels in the area that are associated with the conference and will not know exactly which one we stay in until closer to the conference itself. **MOST LIKELY it will be Oak Tree Lodge** which is where we have stayed for the past few years.

**How Much:** The cost per student is **\$80**. This is a discounted price with the church covering the remainder. Because finances can be tight at times, we ask for at least a \$25.00 deposit with the registration form. This will allow me to reserve all the rooms that we need, and allows you to pay the remainder over the next few months. Please talk to me with any financial concerns you may have.

**Money Needs:** Cost covers the conference, lodging, dinner on Sat, and lunch on Mon. All hotels have a continental breakfast so Sunday and Monday breakfast are covered too!

Students may also want to have money for:

Sat:     1. Wal-Mart snack run (or send some food with them ;-)  
          2. Any t-shirts or merchandise available from the bands

Sun:     1. Lunch money: we typically will stop in the middle of a number of choices from Burger King, McAlisters Deli, IHOP, Denny's and Texas Roadhouse just to name a few. If you want to search the area ahead of time for choices, look around 3676 Parkway, Pigeon Forge  
          2. Spending money for local attractions/mall - many students will take the time to swim in the hotel pool. Some want to walk around the Outlet Mall and window shop or pick up a pair of shoes etc...  
          3. McDonalds after the concert Sun night.

Just prepare yourself for a great weekend and realize that the purpose is *worship and growth!* If you go with those expectations you are sure to not be disappointed!
