

SNOW TUBING @ WINTERPLACE

When: Saturday February 17th

Cost: \$35.00 includes tubing for 4 hours, tube rental, lunch at McD's on the way back, and transportation.

Where: Meet @ Sunnyside at 6:00am. **Leave by 6:15.** It is a drive up there (about 2 hours) and we will be back to church about 4:00.

What: Bring yourself, some money for snacks at the concession stand, hot chocolate is a big hit (remember that lunch is included in the cost) snow gear (suit, boots, bib, scarf, goggles, beanie, gloves...etc.) if you don't have a snow suit they are available to rent for \$8. I usually wear jeans w/ longjohns and go inside to dry out every now and then.

Who: All Youth are welcome. If you are a parent and would like to chaperone please talk to Todd. We will take the bus but based upon signups we may end up adding a van or having some parents drive.

Why: Winterplace has the best slopes for the money and time. We have 4 hours instead of 1 or 2!! It is a blast and a great time of fellowship among everyone.

I _____ am signing up to go on the Sunnyside Baptist Church Youth Snow Tubing trip. I will arrive at 6:00am and return about 4:00pm. I understand that while there I will display Christ-like behavior, stay with the group and not venture off, and will abide the chaperones with us.

I also will strive to have the best possible time as a group. Getting into snowball fights, tubing races, loud singing, and enjoying each other's company is all expected and encouraged!
